Create by Guido Braeken

At Create by Guido Braeken, fine dining is more than a meal, it is an experience where craftsmanship and creativity come together in perfect harmony.

Guided by Chef Guido Braeken, our philosophy embraces the essence of balance, where tradition meets modernity. Drawing inspiration from global culinary trends while staying true to his craft, Braeken reimagines fine dining with a refined selection of seasonal menus and à la carte dishes, each prepared with meticulous care and precision. Every plate is a thoughtful composition, allowing ingredients to shine in their purest form.

The foundation of Create is built on an unwavering commitment to quality. Ingredients are sourced from the finest purveyors, some from the gardens of Van Oys, others from across the world, always chosen with intention and respect for nature's rhythm.

Beyond the plate, the experience is elevated by a setting designed by renowned Dutch architect Paul Linse. His vision brings a sense of refined elegance to the restaurant, where the interior's thoughtful design mirrors the precision and artistry of the cuisine. The result is an atmosphere that is both sophisticated and inviting, creating the perfect backdrop for an unforgettable dining journey.

Here, taste takes centre stage. Here, every detail matters.

Welcome to Create.
